

# Storyboard Overview

# Login (1)

# Admin screen (2)

The image shows a UI mockup for an admin screen. It features a light gray rectangular container with a dark gray border. Inside the container, at the top, is the text "User list". Below this text is a large, empty white rectangular box. To the right of this box is a small gray button with the text "Delete". At the bottom left of the container, the text "User name" is followed by a white rectangular input field. To the right of the input field is a small gray button with the text "Add". Below the "Add" button is another small gray button with the text "Log off". An arrow points from the "Log off" button to the text "(1)" located outside the container to the right.

# Album List Screen (3)

The image shows a UI mockup for an 'Album List Screen'. It features a table with two columns: 'Album Name' and '# of photos'. The table is currently empty, displaying the text 'No content in table'. To the right of the table are three buttons: 'Add an Album', 'Delete an Album', and 'Rename'. Below the table is a 'Search By Date:' section with two date input fields and a 'Search' button. At the bottom right is a 'Log off' button. Hand-drawn arrows point from the 'Add an Album' button to label (9), from the 'Search' button to label (8), and from the 'Log off' button to label (1).

Album Name	# of photos
No content in table

# Album Create (9)

Create Album

Album name

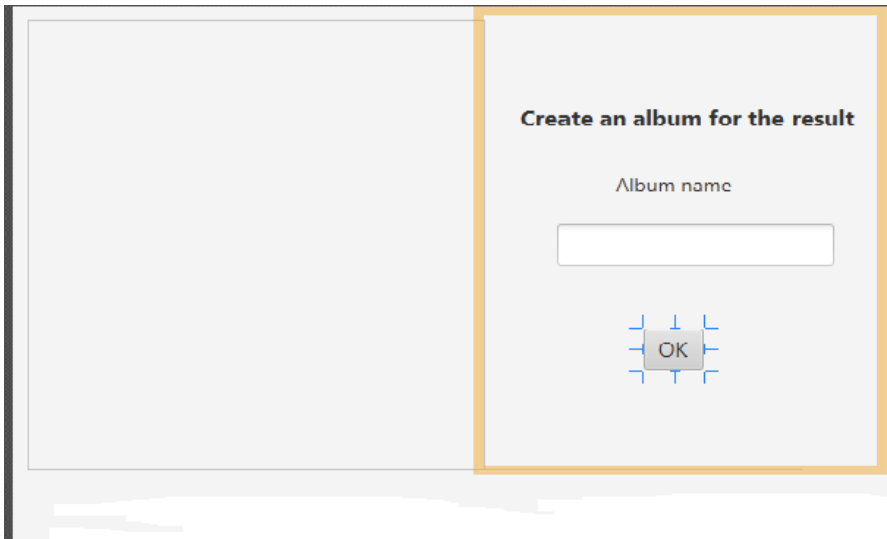

OK Back

(3)

The diagram shows a 'Create Album' form with an 'Album name' input field and 'OK' and 'Back' buttons. Two hand-drawn arrows originate from the 'OK' and 'Back' buttons and point towards a common point labeled '(3)' to the right of the form.

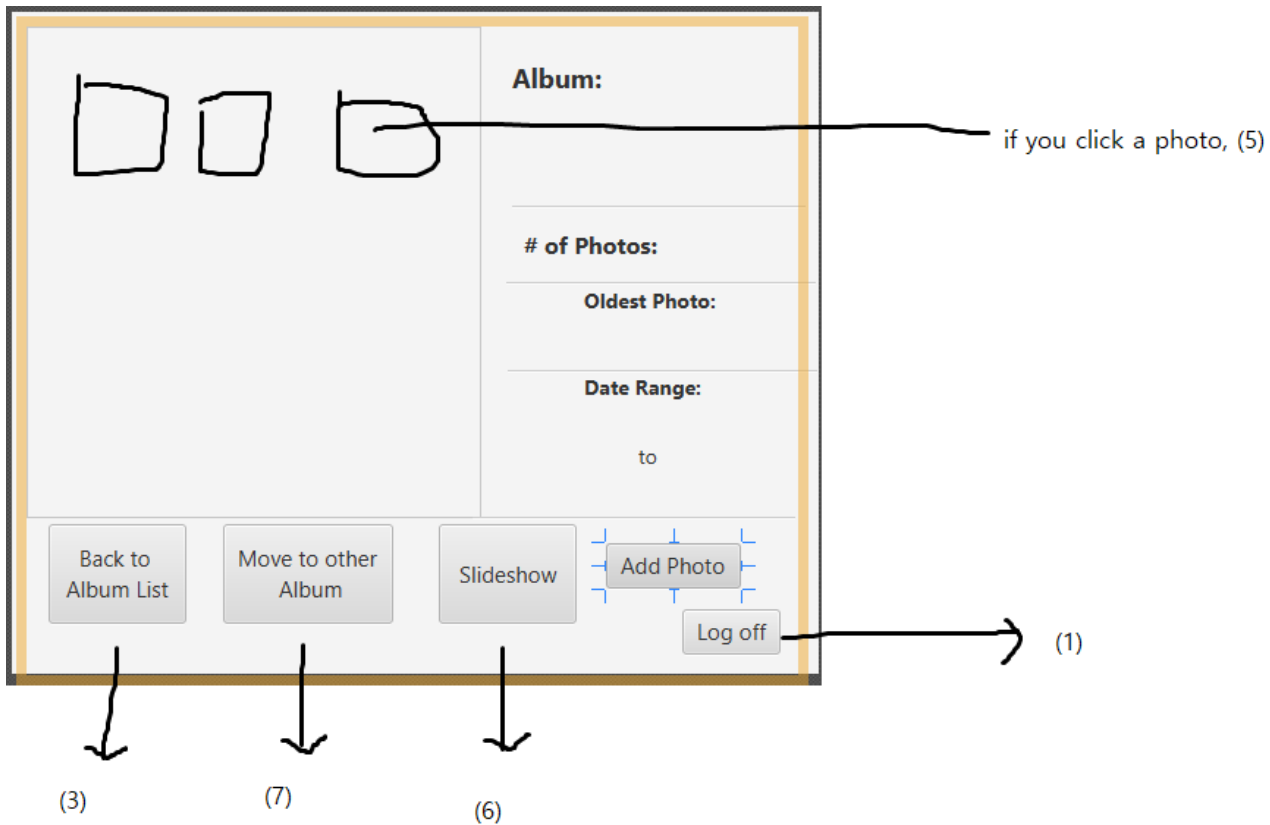

# Search by date (8)

The image shows a light gray dialog box with a thin orange border. Inside, the text "Create an album for the result" is centered at the top. Below it, the label "Album name" is centered above a white rectangular input field. At the bottom center is a gray button with the text "OK". The button has small blue L-shaped handles at its corners, indicating it is a standard window control.

you can just close the window if  
you do not want to create the  
album.

# Album (4)

# Photo screen (5)

The image shows a screenshot of a photo editing interface. At the top left is a back arrow button labeled "< -". To its right is a horizontal line with an arrow pointing to the right, labeled "(4)". Below the back arrow is a large, empty rectangular area. To the right of this area is the label "Time of Capture:" followed by a text input field. Below the "Time of Capture:" label is a section titled "Tags" containing a list box. At the bottom left is a text input field for a caption. To the right of the caption field are three buttons: "Edit Caption", "Add Tag", and "Delete Tag".
